

First Street School
"Mission, Vision, and Values"

Mission Statement - "Purpose"

"First Street School is dedicated to guiding students to become positively contributing citizens and life-long learners."

Vision Statement - "Compelling Future"

"All students will be empowered to become productive citizens and life-long learners who practice excellence of character in an ever-changing world."

Motto - "We're going places!"

Values - "Collective Commitments"

To achieve our vision, we are committed to working collaboratively to:

- Promote the positive in all interactions with students, staff, and community members.
 - ***Think positively***
 - ***Act positively***
 - ***Be positive***
- Share data with colleagues to help facilitate intervention/enrichment that is appropriate.
- Meet the needs of all students by using assessments on an ongoing basis to adjust our instruction.
- Support and encourage all students to use their learning tools to cooperatively aspire to reach their own best abilities and efforts.
- Greet and acknowledge students to help foster a sense of belonging.
