

First Street School Parent Teacher Club

JOIN TODAY!

Research shows that children perform better when parents are engaged in education both at HOME and at SCHOOL. Parental involvement boosts student achievement. By simply joining PTC, you are advocating for all students (including your own!) Membership is completely free and you decide how and when you would like to help. No commitment is required!

MAKE A DIFFERENCE!

The PTC helps coordinate fun events throughout the school year to invigorate the students and community. We sponsor our Accelerated Reader Incentive Program to encourage students' love of reading. We host teacher and staff appreciation events, fund campus beautification projects, help support classroom fundraisers, and so much more!

IT'S GOOD FOR YOU!

Volunteering with the PTC allows you to contribute your skills and knowledge for the benefit of your entire school community. Even one hour of time can help make an event great. Bring a friend and make new friends. Busy during the day? Volunteer after hours to plan campus events, such as the Fall Festival, or design posters, decorate, or pick up supplies. Don't have time? Donate baked goods, gifts or prizes, or any amount that you can give to help our school. Every dollar we raise goes into programs and services for our kids!
