## CHAMPS

CHAMPS members help coordinate fun events throughout the school year to invigorate the students and community. We sponsor our Accelerated Reader Incentive Program to encourage students’ love of reading. We host teacher and staff appreciation events, fund campus beautification projects, help support classroom fundraisers, and so much more!

Volunteer with CHAMPS to share your skills and knowledge for the benefit of your entire school community! Even one hour of your time can help make an event great. We host fun events for our students, such as the Fun Run, Fall Festival, and VIP Dance.

Don’t have time? Donate baked goods, gift cards, or raffle prizes. Any amount that you can give will help our school. Every dollar we raise goes directly into programs and services for our kids!

Bilingual volunteers are especially appreciated!
